

Diagrama de Canvas

Modelo de negocio

Bases sobre las que una empresa crea, proporciona y capta valor

Áreas de Negocio

- ▶ **Clientes**
- ▶ **Oferta**
- ▶ **Infraestructura**
- ▶ **Viabilidad económica**

Los nueve módulos

Segmentos de mercado

Diferentes grupos de personas o entidades a los que se dirige una empresa.

Propuestas de valor

Conjunto de productos y servicios que crean valor para un segmento de mercado específico.

Canales

Modo en que una empresa se comunica con los diferentes segmentos de mercado para llegar a ellos y proporcionarles una propuesta de valor.

Relaciones con clientes

Diferentes tipos de relaciones que establece una empresa con determinados segmentos de mercado.

Fuentes de ingresos

Flujo de caja que genera una empresa en los diferentes segmentos de mercado.

Recursos clave

Activos más importantes para que un modelo de negocio funcione.

Actividades clave

Acciones más importantes que debe emprender una empresa para que su modelo de negocio funcione.

Asociaciones clave

Red de proveedores y socios que contribuyen al funcionamiento de un modelo de negocio.

Estructura de costes

Todos los costes que implica la puesta en marcha de un modelo de negocio.

Plantilla para el lienzo del modelo de negocio
